Westin Adds Jeff Liebig to Executive Team as Chief Financial Officer

RANCHO CORDOVA, CALIF. – Jeff Liebig has joined Westin Engineering as Chief Financial Officer and Vice President, Corporate Services and Accounting.

Mr. Liebig is responsible for providing corporate services to Westin’s operations throughout the U.S. and Canada.

“We are excited to have Jeff join our executive team to lead the re-engineering of internal operations and implement our vision of ONE Westin,” said Doug Harp, Westin’s President and CEO. “Jeff will lead a team to continuously improve the way we operate Westin in the new economy, expand our market-leading information solutions, and look for ways to operate more efficiently and affordably.”

Jeff brings more than 20 years of strategic and financial planning, operations, and administration management for professional service firms. As a Certified Public Accountant for 12 years, he specialized in working with firms that were similar to Westin. For the past 10 years he was VP of Finance with Nolte Associates, a 600-person regional AE firm. He was also Controller for EA Consulting, a firm specializing in SAP implementation.

Mr. Liebig is based in Westin’s corporate headquarters in Rancho Cordova, CA.

Westin helps water utilities improve performance in operations, business, customer service, and asset and maintenance management. Westin’s suite of consulting and engineering services deliver enterprise solutions including process, organization and technology to help clients attain their business and technology goals. Westin has delivered solutions to our customers throughout the United States and Canada since 1981. Learn more at www.we-inc.com.
